

Benefits Package

As a result of our strong and well-established relationships with our Insurer partners, we have been able to secure a comprehensive benefits package to complement our standard Contractors Combined offering.

Nil Policy Excess

The policy excess will be waived subject to first notification of the claim being made in writing to Imperial Underwriting within 72 hours of the incident occurring*

Non Adjustable Policy

All of our policies are non-adjustable ensuring that there is no chance of a year end declaration AP at renewal.

Contractors All Risks Extension

A £100,000 CAR extension is included as standard on all policies. This is designed for small to medium businesses where there is a low exposure but nonetheless a requirement for CAR cover. Please note that higher limits and separate policies are available on request.

Professional Indemnity Extension

£50,000 aggregate limit as standard on all policies. This is designed for small to medium businesses where there is a contractual requirement for PI cover.

Financial Loss Cover

£250,000 limit of indemnity as standard on all policies.

Material Damage Extension

Office Contents, Computer Equipment, Stock and Increased Cost of Working cover is included as standard on all policies. This is designed to give peace of mind to the small to medium sized businesses where the Insured does not have a separate policy in place for Material Damage.

There are three levels of cover - Gold, Silver and Bronze

Policy Excess £500

Cyber Liability Cover (Optional)

Bespoke packages backed by one of the UK's leading Cyber Insurance and Risk Management providers offering comprehensive cover against both cyber crime and operational errors.
